With reference to the above ~~Standing~~ explains the circumstances of the case

The D.C. States that his reference dated 14 11-42 - Complete details to the audit objection for having paid the amount to other than the Sanitary Mistry & Sanction was sought for

He further stated that as the local Sanitary Mistry was not conversant with the Water Supply works and the C Rudrappa who was formerly a Sanitary Mistry was engaged on the work for the period from 12 11 42 to 30 10 42, and hence an allowance of Rs 5/- was recommended by him on the report of the President of the Municipality

The D.C. adds that an omission on

the part of this office to find out what further action was taken on the President's report regarding the engagement of Clerk Rudrapha on water supply work

In the circumstances, the claim may perhaps be caused filed for orders

28/9/43 JSM

In G.O. No. 2 7146-47/Mnl.9-29-30 dated 5.4.1934, Sanction was accorded to the payment of an allowance of Rs. 17 to the Sanitary Maistry of the Mahakalmuni Municipality for looking after the water supply & water tap connection work in the Municipality. It is seen from the G.O. No. 2 6066/Mnl.29-42 dated 26.11.1942 that during the period from 19-8-39 to 17.1.1940 the above allowance was split up and granted that, as the Sanitary Maistry did not know the work relating to water supply was on leave, the amount had to be paid either to the peon or the clerk of the Municipality though that work was objected to in audit. This objection was waived as a special case with an observation that the irregularity should not be allowed to occur.

Subsequently however, the Deputy Chairman has recommended sanction to the grant of an allowance of Rs. 17/- p.m. to the clerk Rudrappa of the Municipality for having attended to the waterworks

work at the place, as the family worker was not conversant with the said work. This arrangement lasted for a period ranging from 12 11 1940 to 30 10 1942 - i e for nearly two years but this fact was never referred to in his Communication to post in NOV 1942 when he was requested to clear this post the D-C has stated that there was an omission on the part of this office to take action in the report of the President of the Makalkalam Union for the granting of allowance in grade to clerk Ramappa who has attended to the work during the above period that the claim was also prepared at the time In the circumstances he recommends that the payment of the allowance may be granted sanctioned

The explanation is that the payment was meant to be made other than the family worker as authorised by the S.O. but was continued for a long time after family worker died not knowing the work, it was upto the President to have asked for exchange of the incumbency of the post of family worker which was not however done

As it is reported that the clerk attended to the work during the period i e 12 11 40 to 30 10 42 it may perhaps be sanctioned as a special case, with the observation that previous sanction of Post Master General will be required in the matter hereafter

Sir

Adverting to Government Order No L 6066-7/Ml 29-42-2 dated the 16th December 1942, sanctioning as a special case the payment of allowance to Abdul Khader, peon and M. Srinivasa Rao, Clerk of Molakalmuru Municipality for the period they attended to the Water Supply works of Molakalmuru town, I have the honour to state that the President of Molakalmuru Municipality reports that C Rudrappa, Clerk, Municipal Office, attended to the water supply works from 12-11-1940 to 30-10-1942 in addition to repairing the pipe-line, which was all silted up and other repairs without prejudice to his legitimate duties as a clerk and - recommends the payment of an allowance of Rs 5/- per mensem for the above period The Municipal Council at its meeting convened on 31st March 1941 has resolved that an allowance of Rs 5/- be paid to C Rudrappa Clerk of the Municipal Office

In submitting herewith the entire records ending with Molakalmuru Municipal President's report No 124/41-42 dated the 25th May 1943, I request that Government may be pleased to accord sanction to the payment of an allowance of Rs 5/- per mensem to C Rudrappa, Clerk from 12-11-1940 to 30-10-1942 The President reports that the allowance has not been drawn from 1-11-1942 to 18-5-1943 as there was no water in the tank and hence there was no work connected with the water supply to the Town

In accordance with the instructions contained in Government Order adverted to above, I have instructed the President to pay the allowance to the concerned official and not to split up the same and -

ard distribute it to other than those for whom it was sanctioned

The favour of early orders is solicited

By S.O. 4 1930, to the effect that the Sanitary Matron should be given the Allowance Was any report made to the effect that the Sanitary Matron was not Competent enough to look after the work? Why has this Claim been refused after the above period and was during the period she actually worked? I am to state that, as the action taken by the President is clear against the Audit Objection and the Standing Orders, Council authority he may not be sanctioned by the Sanction of the President, may be obtained and forwarded to Govt

Sir

Adverting to your letter No L 1016/41 8-40-2 dated the 23rd July 1943 calling for the explanation of the President concerned and certain particulars in the matter of the payment of an allowance of 5/- per mensem to C Rudrappa, Clerk Molakalmuru Municipality for having attended to the repairing of the pipe line and Water Supply of the place, I have the honour to state that this office letter No AC 1705/41-42 dated 14th November 1942 confined itself to the audit objection relating to the recovery of certain amounts from A Srinivasa Rao, Clerk and Abdul Kader, Peon of Molakalmuru Municipality and that a recommendation was therefore made to Government to accord sanction to the expenditure already incurred That the Sanitary Jamadar working in the Municipality was not conversant with the repair and handling of the water supply works and that clerk C Rudrappa who was formerly Sanitary Jamadar and claims at the time as a clerk in the Municipal Office, and who had experience of the water supply works, might be given an allowance of Rs 5/- has been reported by the President in his No 23/40-41 dated 20-11-1940 There appears to be an omission on the part of this office, since it cannot be made out as to what further action was taken by this office on the above report It is, however clear from the record that the claim has been preferred during the period

Under these circumstances, I request that sanction of Govern
